

# LADDERS & RAILS

Cover image courtesy of Ike's Pools

UNIQUE DESIGN ELEMENTS THAT MAKE A POOL SPECIAL

When you choose S.R.Smith, you are choosing ladders and rails that can turn an ordinary pool into the extraordinary. From standard to custom, in a wide range of finishes, our rails can add both form and function to any pool.

- Polished 38mm & 48mm OD Tubing
- 316L Marine Grade Stainless Steel
- 1.6mm wall thickness

CUSTOM RAILS—ANY SIZE OR SHAPE

Whether it's a minor variation to one of our standard rail configurations, or something from your own imagination, look to S.R.Smith to help make your vision a reality. S.R.Smith keeps your project on track with the fastest turnaround time in the industry.

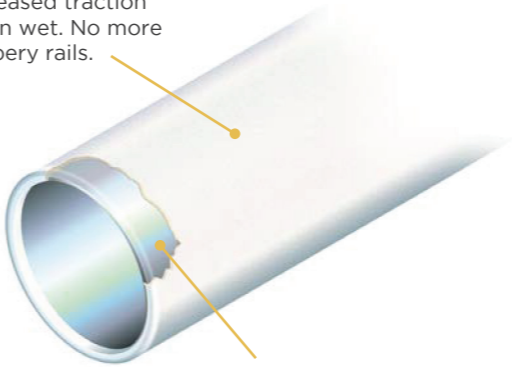

CUSTOM COATINGS

Finish with Durability and Style

A variety of finish options are available which provide a higher level of protection to our marine grade stainless steel rails and ladders. Coatings are available in a variety of colours, as well as a clear finish option.

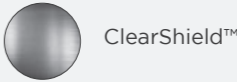

- SRS ClearShield™ Coating
- Powder Coating
- SealedSteel®

WetTraction®  
Increased traction when wet. No more slippery rails.

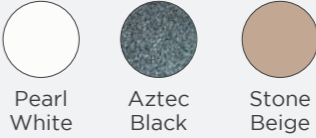

Thermoplastic coating fully encapsulates stainless steel to lock out corrosion.

**SRS ClearShield™ Coating** — a thin film ceramic coated clear finish with superior impact, scratch and corrosion resistance.

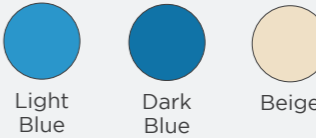

**Powder Coating** — durable finish that is easy to maintain, corrosion and scratch resistant.

**SealedSteel®** — housed in a protective coating that virtually eliminates corrosion, and stays cool to the touch, even in extreme temperatures.

Note: SealedSteel cannot be used in spas and pools where the water temperature exceeds 40° C

RECOMMENDED APPLICATIONS

	OUTDOOR POOL		OUTDOOR & INDOOR POOL	INDOOR POOL	
	Traditional Chlorinator	Salt Chlorinator	Mineral Pools	Traditional Chlorinator	Salt Chlorinator

STAINLESS STEEL REJUVENATING KIT

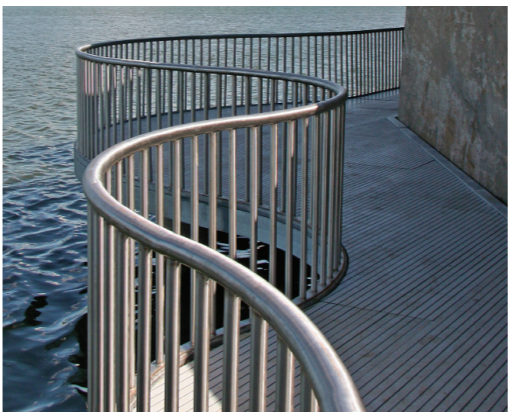

This kit contains two products formulated especially for restoring & protection of Stainless Steel:

Stainless Steel Rejuvenating Paste  
Step 1: The Rejuvenation Preparation

Stainless Steel Sentry  
Step 2: The Protective Coating

FEATURES

- Kit treats up to 10sqm and protects for months
- Restores and protects; Railings, Balustrading, Yacht Railings, Architectural Panels, Lighting Posts, BBQ's, Grab Rails, Sculptures and more

Model/Item No.	Description
SR-SS-RE-JUV-KIT	Stainless Steel Rejuvenating Kit
SR-SS-125-6PK	Stainless Steel Rejuvenating Kit Consumer Display Pack (6 pk)
